

Stin Oil Co. was founded in 1977 by Mr. Pazooki (the senior). Mr. Pazooki and his people began trading petroleum & lubricant products as a first consulting company in this field of activity in Iran.

In 1986 Pante-A Trading Co. was established by Mr. Pooya Pazooki.

Now Stin Oil Co. is a holding company which owns:

Stin Lubricants Co.

Pante-A Trading Co.

Total Authorized Distribution Network

Pooya Commercial Co.

under supervision of Mr. Pazooki as a managing director.

Summary of main business activity:

Stin Oil Co. has been granted to be the agent of some blue chip oil companies such as TOTAL, Mobil, ... in Iran. We import, trade and distribute all kind of products as mentioned below for sectors including Automobiles, Transportations, Agricultures, Marin, Aviation and specialties for industry for more than 30 years.

Products:

1. Engine oils

2. Automotive hydraulic transmission oils

3. Industrial oils

4. Car care products

5. Greases

6. Filters

7. Adhesives and resins

8. Lubricants for aviation, marine and military industries

Services:

Due to the recent blocked international relationship of Iran, providing requirements of producers and domestic factories is our first priority. We are always ready to consult our clients and help them to select the best appropriate product based on their technical requirements. Our team is paying the highest attention to supply the best service & support to customers around the country.
